**Saturday, January 21, 2012**

**Noon to 3pm**

**Laney College - Student Center**

**900 Fallon Street, Oakland**

\$4 donation, no one refused

## You can find the best varieties of fruit to grow!

•Hundreds of varieties of scions (fruit wood) to graft onto your own trees, including:

apples, pears, quince, plums, peaches, nectarines, apricots, cherries, and more. . .

•Cuttings to root: grapes, figs, pomegranate, kiwi fruit, mulberries, and more. . .

•Rootstocks and grafting supplies •Grafting class and demo 12:15 and 1:00

•Custom and assisted grafting of your selected variety onto a rootstock

•Plants Drawing & Silent Auction •Friendly Advice beginners welcome!

Bring your shopping list, plastic bags and tape to label scion varieties you take home

**Join us- volunteers needed**
